

Are you looking for quality, affordable health care?

At CCAP Family Health Services, you can have your own physician who sees you promptly, by appointment, at a price you can afford. Becoming a CCAP Family Health Services patient is the right way to get comprehensive, coordinated, quality care.

We are your neighborhood Doctor!

We offer comprehensive primary health care for seniors and health risk assessments, routine screenings and referrals to social services at three convenient locations:

1090 Cranston Street, Cranston, RI 02920
943.1981

191 MacArthur Boulevard, Coventry, RI 02816
828.5335

226 Buttonwoods Avenue, Warwick, RI 02886
732.9090

These health centers are owned and operated by Comprehensive Community Action Program which has been providing quality health care for over 30 years.
